

designed **PACT**

Professional Series DVD Duplication Systems

PACT2DVDIJ

- **2 DVD Writers**
- **InkJet Printer Support**
- **EZ Upgrade Firmware**
- **Auto Detect Format**
- **Direct Copying**
- **220 Disc Capacity**
- **20GB Harddrive**

Put the PACT series automated DVD duplication solution to work for you today! In automation, capacity is the name of the game and PACT has it. Fill the 240 series with 220 blank discs and take off.

Asynchronous recording makes your smaller masters fly through the DVD recorders. Fast loading PACT Robotics are simple, reliable and effective. Keypad interface to the industry's best feature set is clear and easy to manipulate. Store your images on 20GB of hard drive space. Timely firmware upgrades are easy to implement through one of the recorders.

Multi-tasking DVD duplication processor is an application-specific device designed and built only for CD-R & DVD duplication. This powerful engine enables instant boot-up and seamless operation while copying up DVD's unattended! Our full year warranty (including recorders!) and a 30 day money back guarantee make owning a PACT system a risk-free venture.
