Asynchronous recording makes your smaller masters fly through the CD recorders. Fast loading PACT Robotics are simple, reliable and effective. Keypad interface to the industry's best feature set is clear and easy to manipulate. Store your images on 40GB of hard drive space. Timely firmware upgrades are easy to implement through one of the recorders.

Multi-tasking CD duplication processor is an application-specific device designed and built only for CD-R & DVD duplication. This powerful engine enables instant boot-up and seamless operation while copying up CD's unattended! Our full year warranty (including recorders!) and a 30 day money back guarantee make owning an PACT system a risk-free venture.
